COMPANY PROFILE

AMIHAN

HUMAN RESOURCES

Since 2012

Amihan Human Resources is a professional recruitment services provider offering comprehensive manpower solutions across all nationalities and industries. We specialize in sourcing and placing candidates for a wide range of roles, from entry-level to executive positions, ensuring that employers receive the right talent to drive their business forward.

With a strong foundation built on ethical recruitment and professional integrity, Amihan is committed to delivering recruitment services that are efficient, transparent, and aligned with the needs of both employers and candidates. Our team understands the evolving demands of the global labor market, and we strive to connect businesses with qualified talent from diverse backgrounds.

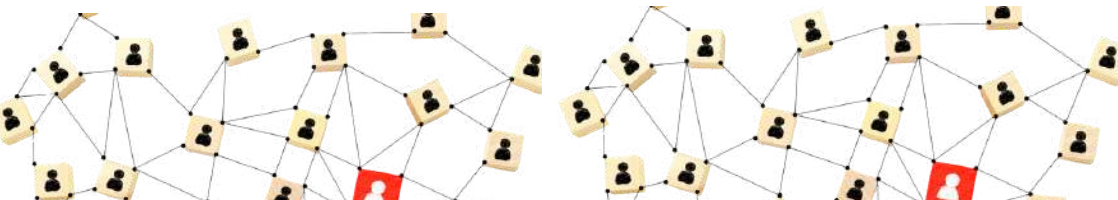

Vision

To become a trusted global partner in human resources, recognized for delivering high-quality recruitment services, promoting equal opportunities, and fostering long-term partnerships with businesses and job seekers.

Mission

Amihan aims to provide opportunities for all stakeholders. We believe that employees, employers, authorities, and businesses must work hand in hand to achieve common goals. Through collaboration, transparency, and integrity, we help create meaningful employment relationships that contribute to sustainable growth and development.
